

The 08. of August 2008

For the last six months of my life I have been staying at 1 Scott Road B in Pinetown together with my South African girlfriend and our little daughter. We had a wonderful time. It's like a second home for us, when we are together in South Africa.

It is homely and I will definitely recommend it to my family, my colleagues in the firm and friends back in Denmark. My family from Denmark also stayed here at the other unit from the third of July 2008 and until the 16th of July 2008. It's called 1A Scott Road. They had a wonderful time too, and Penny and Peter were really friendly and took them on a road trip for two days, where they saw some of the beautiful places in South Africa. My family appreciated that a lot and I am sure they would like to come back and stay at 1 Scott Road B & B one day again.

Everything was just so comfortable and safe. And compared to the price for staying here the standard was really high. I did a lot of research before leaving Denmark and 1 Scott Road was definitely the cheapest option I found around Durban. I can highly recommend it for other people, who decide coming to Pinetown or the area around. It was very hospitable. We loved the friendly atmosphere and would certainly come again. The accommodation is placed close to everything, which made it easy going shopping and to the Virgin Active gym for me. The accommodation is close to central Pinetown and 30 min drive to Durban. Two minutes away from Kwik Spar, and even closer to a daycare if people have needs for that. It made our stay so easy, that we didn't have to think about spending time for transport etc.

The unit itself is nice and spacious. The kitchen is fine and it got all the necessary stuff for cooking. Free Internet Connection and satellite TV if needed. There is a nice pool to cool down in for the warm days.

If something was wrong in our unit Peter or Penny were always there to help us and sort it out immediately, so we never had to worry. There is a laundry and dryer as well, so no problems getting dirty clothes washed.

I would like to say thanks for making our stay so pleasant. And thanks for letting us stay in your home for six months. We felt so welcome here. And our little daughter enjoyed spending time with all of you. The children are so friendly. My South African family and I are hoping to see you all again in the future. We wish you good luck and keep well all of you.

Lots of love from Angelina, Gugu and Søren. (South Africa and Denmark).
